CHAPTER NOTES:

✓ Every contractor was sent an **Update Form** with their dues statement for the first quarter of 2005. I need everyone to fill it out with the number of field employees you have. Your dues are based on your response. It is up to you to update the office if your employee status changes to another category during the year. Please take the time to fill it out and mail it to the office. If you need a new form, email pugetsoundiec@cs.com.

✓ You should be getting your new **National IEC Directory** soon!

✓ The **Education and Training Foundation of Washington** has voted to push forward with the formation of a **2 year Residential Apprenticeship Training Program!** Look forward to classes starting next September. If you are interested in the program or know of any contractor that might

be, please let the office know or refer them to our website at www.pugetsoundwaiec.org.

✓ **Thank you** to those members that **paid** their dues promptly this quarter! Way to go!

✓ Are you interested in a **Golf Tournament** in June? If so, please let the office know by February 28th, so it can be planned. We need a minimum sign-up to progress, so please **raise your voice** (or hand) if this is something you would like to support! Call 360-876-1299 or email a note to pugetsoundiec@cs.com
