information**

**Sponsorship Consideration and Trade Show
coordinated by
Platt Electric, Inc**

Online with our JobBoard

Simple steps to use our JobBoard:

1. The **JobBoard user name and password has been changed!** If you are current with your membership dues, it has been emailed to you. The password will be changed often to keep it not only a privilege of membership but to insure its security.
2. For the JobBoard to work the way it was intended, **all members need to follow the guidelines!** If you do not want to participate by following our guidelines, please do not use the website link.
3. **Our Main Guideline:**
Don't accept applications in your office. This saves you time & money!
Refer all job applicants to the JobBoard link on our website to fill out an online application: www.pugetsoundwaiec.org or have them call the office at 360-876-1299 for more information! It only costs them \$15.00 and saves them time and gas money! Call for IEC business cards with Web/JobBoard & office numbers to have available.
4. Need an employee?
Look online!
www.pugetsoundwaiec.org
5. Need the **user name and pass word?** Call the office @ 360-876-1299. Only members' current with their dues will be given this confidential information.

Please submit for publishing consideration:
Industry or Company Announcements,
Information about **awards your company
or employees have received,** articles
regarding **L&I, Legislation,** running a
Small Business, Contracting, Editorials,
**Jobs you are proud of as an IEC
Contractor** or other information to:

PSW- IEC or Email to:
P.O.Box 1186
pugetsoundiec@cs.com
Olalla, WA 98359

Submissions are picked and printed at random. Articles selected do not necessarily represent the views of the Puget Sound WA chapter of IEC, Inc., National IEC or staff.

YOU'RE JOKING !

"Hey, Sven," said Ole. "How many Swedes does it take to grease a combine?"

After Sven replied, "I don't know." Ole said,
"Only two, if you run them through real slow."
